# THE GROWNUP

## Gillian Flynn

The Edgar-winning short story from the author of **GONE GIRL**.  
 The perfect stocking filler for Flynn fans.

A young woman is making a living, faking it as a cut-price psychic working at Spiritual Palms. She makes a decent wage - mostly by telling people what they want to hear. But then she meets Susan Burke. Susan moved to the city one year ago with her husband and 15-year old stepson Miles. They live in a Victorian house called Carterhook Manor, built in 1893 and Susan has become convinced that some malevolent spirit is inhabiting their home, taking possession of her stepson. The young woman doesn't believe in exorcism or the supernatural, but she does see an opportunity to make a lot of money. However when she enters the house for the first time, and meets Miles, she begins to feel it too, as if the very house is watching her, waiting, biding its time....
